Dear Bapak Waleed,

It is with great excitement that I invite you to join Audubon Arts Summer Program for a one hour presentation of Indonesian Dance on Friday, July, 28.

Your audience will be a group of about one hundred children between the ages of five and sixteen. The time we have set aside for your use is from 11:20 am to 12:20 pm.

We hope these conditions are acceptable to you and look forward to your visit.

Sincerely yours,

Barbara Viviani
Director, Audubon Arts 2006
